Visit our website to download an application.

### What is TIMEQCC?

- TIMEQCC provides the first two years of preparation for prospective secondary school mathematics teachers.
- Upon completion of an Associates Degree at Queensborough CC, students will transfer to a senior CUNY college or a private college to complete the baccalaureate.
- Scholarship opportunities for junior and senior years are currently available at Queens College and NYU.

### Requirements for acceptance into TIMEQCC

- At least an 85 average
- Grade of 80 or better on the math B (or equivalent) Regents Exam
- Completion of precalculus with a grade of B or better \*
- A letter of recommendation from a mathematics Teacher

\*Students may take precalculus (Math 440) in summer school at QCC

### Special Features of TIMEQCC

- Paid tutoring internships in the Mathematics Learning Center and/or local high schools
- Free tutoring in all mathematics courses
- Faculty mentoring
- Opportunities for mathematics research
